Comments: When questioned, rider explained that after being caught wide early, he then elected to ease to obtain a position closer to the rail and as a result settled further back than he had intended. He added that he was then momentarily held up for a run prior to the home turn however, after gaining clear running at the entrance to the straight the gelding was in his opinion slightly disappointing. A post race veterinary examination failed to reveal any abnormalities

Williams advised that after making heavy contact with the rail near the 800m and again near the 600m, the gelding never travelled strongly from that point and failed to run on in the home straight, proving disappointing. Stewards will follow up with trainer J. Collins regarding the horse's post-race recovery.

Mrs Kalinowski stated that, in her opinion, today's race was a step back in class, having raced in stronger company at its most recent starts. She added that this was the gelding's third start back from a spell and the extra distance today also suited the horse. Stewards noted the explanation.

S. Comments: Stewards afforded S. Bogenhuber the opportunity to comment on the horse's performance, which was below market expectation. Jockey Bogenhuber stated that after travelling wide in the early stages, she allowed her mount to stride forward to a leading position, which is the gelding's usual racing pattern, however from a point leaving the 500m was under pressure and proved disappointing in its finishing effort, and in her opinion the gelding may have come to the end of its preparation.
