S. Comments:Slow to begin. Laid in upon entering the home straight and continued to lay in under pressure down the running, obliging rdr to correct mount and subsequently went to the line unable to be fully tested. Rdr reported when mount was slow away, was mindful of instructions not to pressure mare early to improve and allow it to travel comfortably-said elected not to make run wide and near the 600m, momentarily eased to take an inside run-added gelding laid in under pressure in the home straight, which had an effect on the finishing position.

When quest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run. It was accepted filly was hanging, however, Rdr advised could have ridden with more vigor at that point in order to secure position. Disappointed for run near 200m & steadied.
