Goltz advised that the mare was hampered considerably on jumping away, however it did not travel strongly at any stage of the race and was hard ridden to improve into the race from the 800m. He went on to say that the mare ran on only reasonably in the home straight and, in his opinion, was most disappointing. Refer full report for comments from Trainer. S. Comments: When questioned by Stewards regarding his riding over the concluding stages, jockey J. King advised that he desisted from riding his mount out to the conclusion of the race as he felt that there may have been something amiss with the gelding. A post-race veterinary examination revealed the gelding to be lame in the near fore leg. The stable representative for Trainer N. King was advised that the horse would require a veterinary clearance prior to its next race start.
