He added that the stable had also increased the gelding's volume of trackwork which he felt was also a contributing factor to the horse's improved performance today. Sears advised that whilst on paper the mare's form may seem only fair prior to its spell, in her opinion, it was racing reasonably and was not being beaten by great distances. She added that, in her opinion, the mare has benefited from its spell prior to today's race, and advised that the stable had modified the horse's track work program in preparation for this event. Stewards noted the explanation.
