Added whilst the horse travelled well he was of the opinion it was inclined to overrace when racing outside the lead and in his opinion this had a detrimental affect on the horse's finishing effort. Vetted - no significant findings.

In this incident the ear muffs on the horse were damaged and as such raced without this gear. A post race veterinary examination failed to reveal any significant abnormalities. Trainer S. | S. Comments:Inconvenienced and crowded on jumping between GETYOURGREYON and KAORU KING, which shifted outwards after being bumped on the hind quarters. Eased off the heels of KAORU KING near the 500m when that gelding was racing greenly and shifting ground. Held up for clear running in the straight and approaching the 200m shifted out when awkwardly placed on the heels of KAORU KING and in doing so made contact with CLASS OF ROYALTY. |                   |          |  |                                       |
