He added that he was obliged to niggle the horse throughout the event to remain in touch with the main body of the field and the horse commenced to improve approaching the 400m. He further added that he was obliged to alter course near the 200m to obtain clear running and felt that the horse was doing its best work over the concluding stages and he was of the opinion that a step up in distance would be beneficial

S. Comments: Held up for clear running approaching the 400m and shifted out in attempt to secure clear running and in doing so made heavy contact with another runner, causing both horses to become unbalanced. Rider S. Cormack was reprimanded in relation to this incident and advised to exercise more care.

Laid out badly under pressure from the 350m, causing its rider to pull the whip through to the nearside and causing its rider to ride hands and heels from approaching the 100m. Rider interviewed in relation to his apparent failure to ride the gelding out over the final strides. Refer Stewards Report.

When asked to explain the tactics employed on the horse, jockey R. Stewart indicated he had been instructed from the wide barrier to attempt to obtain cover. He stated that when steadying his mount in the early stages the gelding commenced to overrace and he was unable to obtain a position closer to the fence with cover. He added that near the 800m, after overracing, he elected to try to improve to the lead, however the horse then did not have sufficient pace to improve around the horses to his inside. S. Comments:Slow to begin and tightened between runners on jumping away, having to be steadied. Trainer S. O'Dea's stable representative indicated that in hindsight the horse may not have appreciated racing in a cross-over nose band last start and again in today's event. He said that at its last start the horse did not show its customary early speed and was slowly away again in today's event. He indicated that in light of today's performance, the horse would likely be sent for a spell. Stewards advised him that the horse will be required to trial prior to its next start. S. Comments:Trainer questioned re improved performance - explained at previous start drew wide and in an attempt to obtain cover had to go further back than they would have liked and in a slowly run race made it very hard to make up ground over concluding stages. Of the view run was better than it looked and today being in 900m race felt speed would be on and drew a better barrier, which aided being in a better position. Added gelding handles heavy track conditions and gave it a reasonable change of winning today. Stewards noted explanation.
