S. Comments:Shortly after the start, raced in restricted room for a considerable distance when runners either side shifted round. A short distance later was again steadied when forced to race in restricted room and as a consequence was forced to race wide without cover for the remainder. When questioned in relation to the below market expectation performance jockey J Bayliss reported that after being subject to interference in the early stages, the gelding never travelled comfortably throughout the event and when placed under pressure in the home straight failed to respond to his riding.

S. Comments:Rider dropped his whip near the 150m. Hung in over the final 100m proving difficult to ride out before being checked over the concluding stages

when placed in restricted room. Rider reported that the gelding had a good run throughout the event where it travelled comfortably throughout. Rider added

that the gelding quickened for only a short distance and from the 200m had peaked on its run and, in his opinion, proved disappointing over the concluding

stages of the event. A post-race veterinary examination failed to reveal any abnormalities.
