Added that his mount failed to run out the 2400m. Mr B. Hill stated he is of the opinion that the gelding appreciates softer tracks than those today and it does not run out a strong 2400m. Mr Hill added he would drop the gelding back in distance at its next start. A post race vet exam revealed it to have a mild case of the thumps.

comfortably until placed under riding from the 300m where it weakened from that point and was disappointing. Trainer T. Gollan had an endoscopic

examination conducted on the horse after it returned to his stable which did not reveal any significant findings.

S. Comments:Inquiry re. tactics adopted as the horse led in todays event which is in contast to the manner in which it has been ridden recently. Mr Hull indicated that as the horse has led over a similar distance during its last preparation he did not feel that there had been a change in tactics. He also added that similar instructions had been issued at the most recent start however CUSHY NUMBER had failed to must sufficient early speed to take up a forward position. Stewards advised Mr Hull that, whilst they noted his explanation, in similar circumstances he should notify stewards of his intentions.

S. Comments:Trainer questioned re tactics - stated that bearing in mind early speed of race his intention was to have the gelding settle in a handy position.

Added after beginning on terms with the field it appeared as if the gelding was going to obtain its intended position until HESITATION shifted off the fence leaving 900m, resulting in CUSHY NUMBER settling further back in field than anticipated.

Trainer Mr B Hull added that prior to its most recent start the geldings form had been relatively good and attributed the performance to being able to keep the gelding fresh leading into the event.

S. Comments:Laid in at the entrance to the straight. When questioned regarding settling further forward today jockey R. Wiggins stated that from the wide barrier his mount was slow to begin and he rode it along with the intention of settling in a handy midfield position. R. Wiggins added that passing the 1100m it became apparent his mount was going to be caught wide outside a moderate tempo and he elected to allow it to stride forward and settle behind the leader. R. Wiggins added that he felt his mount is better suited being able to settle back off a genuine tempo.

After passing the 800m the mare was not responding to her riding and failed to travel comfortably at any stage of the event and proved disappointing. App Denby was of the opinion that the mare was not comfortable on today's track conditions. A post race veterinary examination revealed the mare to be displaying a cough and a nasal discharge. Trainer reported horse pulled up well and agreed may not have been comfortable in conditions. Believed it would be better suited over further ground when able to settle closer to the lead.
