Comments: When questioned regarding the run, apprentice A. Thompson stated it was his instructions to race in a forward position, however, after working to a three wide position he elected to push forward approaching the 800m to the outside of the leader. As a result, he was then reluctant to overly restrain his mount as it had previously had a tendency to get its head up in track work when being restrained. He added that he would have preferred to have obtained a position on the rail or sitting off the header, however, he was unable to do so and the horse thereafter gave ground in the straight. S. Comments:Blundered after clipping heels near the 500m. Stewards inquired into this incident and it was established at this point of the race TARZAN, which was racing to the outside, shifted in slightly whilst at the same point of the race MEET MR TAYLOR shifted out slightly. Whilst it was accepted that both horses had contributed to the incident, stewards were not satisfied that either jockey had demonstrated carelessness to the extent that would hold them culpable under the rules and took the matter no further.
