When caught wide in the early stages was restrained for a considerable distance passing the 1000m in an endeavour to obtain a position with cover. Nothdurft regarding the performance. He advised that he was unable to ease the tempo whilst leading when LEICA FIRECRACKER placed pressure on his mount and after bumping with that runner rounding the home turn his mount failed to respond to his riding from that point. He felt the work his mount did in the early stages had a bearing on the way in which it finished over the concluding stages, adding that it may not have handled the heavy track conditions.
