A post-race veterinary examination revealed the filly to be significantly lame in the near foreleg. Had some difficulty obtaining clear running upon entering the home straight. When questioned regarding the tactics adopted, jockey G. Colless stated his instructions were to ride in a forward position, however after beginning only fairly was unable to muster sufficient early speed and therefore elected to take up a position towards the rear of the field.

Dissappointed in performance as it had impressed in trial leading into this race. Trainer also dissappointed and unable to offer any excuses. Vetted in days following race with no abnormalities. Will trial gelding in unofficial trial prior to next start as it had performed well first up last campaign following a number of lead up trials. She stated that she had been instructed to ride the filly quieter today, however she was unable to gain cover and therefore she was obliged to race wide throughout. Trainer T. Gollan explained that from the wide draw he was concerned with the significant amount of speed of other runners drawn to his inside and for this reason he instructed his rider to "come out neutral" rather than be involved in a sgeant battle and get caught wide.
