S. Comments:Connections advised it would be the intention that the horse secure a more forward position. Attempted to go forward from a wide gate, however, when left awkwardly placed four wide near the 1100m, was then restrained to a trailing position. When asked to comment on the horse's performance, apprentice B. Notdhurft stated that whilst he was satisfied he occupied a good forward trailing position, and whilst he believed the horse felt comfortable on today's firmer surface, it failed to respond to his riding over the final 600m. Vetted and found to have cardiac arrhythmia.

S. Comments:As jockey R. McMahon's arrival on course was delayed, D. Griffin was substituted as the rider of the horse. When asked to comment on the performance of the horse, jockey Griffin indicated his mount raced quite greenly in the early and middle stages after he had been instructed to allow the horse to settle out of the barriers. He indicated that, in his opinion, the gelding finished the race off strongly despite laying in form the 400m onwards. He added that trainer Mr B. Baldwin suggested he would now look to spell the horse

Trainer A Willick stated that blood tests along with an endoscopic examination performed earlier this week were clear of irregularities and as such was unable to provide any tangible explanation for today's disappointing performance. She undertook to have further veterinary examinations and blood tests carried out in the days subsequent to today's event, the results of which will be reported to Stewards. S. Comments:Reared as the start was effected, after which it became momentarily cast, almost dislodging jockey L. Dittman, and missing the start and losing significant ground, following which it failed to take any competitive part in the event. This incident was therefore the result of the barrier manners of ALL GIFTS and it was afforded every opportunity to start with the rest of the field. Stewards therefore declared the horse a runner. Vetted, no significant findings. Trainer A. Willick was advised that the gelding must compete in an official barrier trial prior to its next start.

She also added that the horse had returned to scale with lacerations in its mouth. Trainer M. Mair confirmed this.
