He indicated in the circumstances he was very happy with the filly's effort as he was obliged to settle 3 wide and then after passing the 600m was bumped by another runner and forced wider, causing him to race 4 wide approaching the home turn. He felt that this had cost his mount valuable ground and then when placed under pressure in the home straight, the horse, in his view, responded well and was doing its best work over the concluding stages.

S. Comments:When asked to explain the horse's seemingly improved performance, trainer B. Laming stated that the filly had worked well since its last start and performed well in a recent jump-out with the addition of blinkers, which were added to its gear for today's event. He added that with a slight step up in distance and in his opinion today's race being slightly inferior, that may have contributed to the improved performance. Mr Laming also advised that he did not support the filly today and was surprised by the win. Stewards noted his explanation.
