S. Comments:Checked at the start. Stewards asked Jockey R. Plumb for an explanation regarding the geldings performance. Jockey Plumb explained that after being severely checked at the start, he settled at the rear of the field and the gelding contacted the rail on two occasions passing the 1000m when racing to the inside of BEAUETA. He added that the gelding finished fairly in the home straight but in his opinion the interference at the start had a direct bearing on todays performance. A post-race veterinary examination failed to reveal any apparent abnormalities.

S. Comments: Began very awkwardly and made heavy contact with the barrier partition, almost unbalancing its rider. When asked to explain the performance of the gelding, jockey J. Byrne expressed his view that the speed slackened quite appreciably mid-race and therefore he elected to come out to improve into the race passing the 700m and at the same time the leaders quickened and his mount then struggled to get into the race from that point. He added that in his opinion the gelding's chances were not suited by the slow tempo in the middle stages and the quick sprint home.
