Mr. Groves added that with the blinkers back on today, as well as the change of rider, he had not been overly surprised with the win which was consistent with the mare's runs prior to its last start at Toowoomba. Stewards accepted the explanation.

Tomizawa reported that the mare overraced in the early stages and, in his opinion, was not suited by GULLY COMMAND racing to its outside during the middle stages. He added that the mare is better suited when able to lead in its races without being pressured, and he advised that he was disappointed in the mare's performance today. A post-race veterinary examination revealed no apparent abnormalities.

He indicated that the stable had expected a forward showing in today's event, adding the mare had had a brief spell after performing poorly in Townsville on 21 July, which he believed could be attributed to the horse not travelling well in the trip to Townsville. He indicated prior to this, the horse's form had been good and stated that at Doomben on 7 July the horse had worked hard when ridden forward to obtain the lead in the early stages from a wide barrier. Stewards accepted the explanation.
