S. Comments:Trainer L. Baker explained that the gelding was having its second start for this stable, with its only other start in his care being over an unsuitable distance. He added for that reason he stepped the gelding up in distance for todays event, which he felt was to its advantage. He went on to say that the geldings poor recent form was when racing on grass surfaces and in his opinion when racing back on a sand surface today, was a contributing factor to the horses improved performance.

S. Comments:Bumped on jumping away. App. N Fazackerley advised Stewards that the gelding travelled comfortably during the event however when placed under pressure at the 700m, failed to respond to his riding and proved disappointing. A Post race Veterinary examination failed to reveal any abnormalities. Trainer L Baker could offer no explanation in relation to the performance however undertook to advise stewards in coming days if anything became apparent which may have affected its performance in today's event.
