| S. Comments:Obliged to steady away from heels near the 1800m. Jockey then elected to push forward to take up a position in the lead near the 1500m. When questioned regarding the reason for him shifting off the fence when leading from the 600m, , Jockey explained it was his intention to shift wider approaching and rounding the home turn as it was his view that when the rail was in the true position racing towards the middle of the track is more advantageous. Stewards noted the explanation. | | | |

App.N. Summers confirmed her instructions; however in an attempt to comply, her mount commenced to over-race and refused to settle. She added that she was mindful that when restrained, the horse raced ungenerously and she had not anticipated leading by the margin in which she did. | | | | |

Comments:Stewards afforded Apprentice the opportunity to comment on the seemingly disappointing performance of the mare. He stated that his instructions were to lead in today's event however he was challenged for the lead by another runner and as a result he was unable to obtain the lead on his own. He added that he was of the view that this had a detrimental effect on the mare's performance. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance. | | | |
