Stated that no specific instructions had been issued and he was able to find a favourable position from the awkward barrier. He said that when a run became available to him he was not able to take advantage of it as the horse was not advancing to do so and as a result from the 200m was held up and his mount went to the line untested. S. Comments:Questioned re tactics adopted - rider stated intention was to take up a position just off the speed however the gelding blundered on jumping. Rider noted gelding slow to begin in its jump outs leading in to today's race. Rider added after travelling a short distance elected to restrain to obtain a position in behind TWILIGHT PRINCESS but shortly afterwards obliged to ride gelding along during middle stages to maintain position. Rider further added once able to obtain clear running in home straight gelding finished the race off well.

S. Comments:Apprentice Grylls indicated she had not initially been inclined to improve into that run as she did not wish to race on the fence in the home straight as she felt the track was inferior on the inside. She added that near the 400m she did take a run on the fence and again steadied the horse near the 200m when it appeared AURUM LAD commenced to lay in. She added the horse was doing its best work over the concluding stages and would appreciate a step up in distance which would enable the horse to take up a more forward position
