| S. Comments:When questioned regarding the perceived form improvement of the mare, trainer K Miller stated that the mare was to be ridden forward as had been the instructions at its previous starts. However at its most recent start she travelled further back than anticipated and was first up from a short let up. Mr Miller added that being slightly fitter and being able to race in her favourable position, which is forward but not necessarily leading and travelling comfortable in that being may have assisted in a better performance today. | S. Comments:Slow to begin. Raced wide from the 700m. Apprentice B. Nothdurft reported that the gelding became fractious in the barriers and, as a result, was slow to begin. Apprentice Nothdurft added that he elected to race 3 wide with cover leaving the 700m, at which time his mount was travelling well, however when asked to let down the gelding failed to respond and proved very disappointing. A post-race veterinary examination revealed no apparent abnormalities. Stewards will interview Trainer Mr. L. Hatch in the coming days regarding the horse's disappointing performance. |                              |  |
