S. Comments:Rider afforded opportunity to comment re performance - explained the colt began only fairly and therefore elected to race towards the rear of the field to obtain cover. Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.
