S. Comments:Bumped heavily and then crowded on jumping. Rider questioned - stated intention to be in handy position however, after beginning awkwardly then being crowded at start raced further back than anticipated. Specific instructions not to race near rail and for this reason remained racing behind NAKANAI until approaching home turn. In middle stages gelding dropped the bit and in his opinion was not handling soft track conditions. Bearing in mind big weight reluctant to ride for luck and of opinion ground in centre superior took option to come widest at turn.

S. Comments: Apprentice A. Sewell was found guilty of a charge of careless riding, in that he rode aggressively in attempting to force a run to the inside of MAKE A RULER where there was insufficient room to do so. Furthermore after making contact with MAKE A RULER, continued to ride aggressively in an attempt to force a run to the inside of that runner, which resulted in apprentice T. Brooker having to direct MAKE A RULER outwards after becoming very awkward and causing MAKE A RULER and VICTORY EIGHT to become awkward and lose ground. Apprentice Sewell was suspended from riding in races for a period

S. Comments: Stewards questioned trainer Mr B. Smith regarding the improved performance in winning today. He indicated whilst the mare has won on rain-affected tracks previously, he said, in his opinion, it was a better horse on firm ground, and believed at its most recent start did not appreciate the heavy track surface.

S. Comments: After dislodging the rider en route to the barriers, the filly jumped the false rail near the 1350m chute, was quickly recaptured, inspected by the veterinary surgeon and passed fit to race. Co-trainer P. Hulbert was questioned regarding the horse's improved performance. He stated that at its previous start the filly did not run on after travelling well and he was of the opinion that it may not have appreciated the track conditions on that occasion. He added that the filly is better suited on rain-affected tracks.

S. Comments: When questioned regarding the horse's perceived form improvement, trainer R. Lipp stated that at its first run in Toowoomba the horse raced ungenerously and wanted to hang out throughout the event. He noted that the horse pulled up from that event with some mild soreness and the horse was sent for a spell. Mr Lipp added that SUPERSONIC BOOM had won two jump-outs at Toowoomba prior to today's event, and with the addition of blinkers today he expected a forward showing.

S. Comments: Hampered shortly after the start when tightened for room between runners. Held up in the early stages of the straight and altered course to the outside near the 200m. M. McGillivray was questioned regarding why he did not take a run between TIYATROLANI and LIPSYNC after leaving the 300m. He stated that whilst the run opened for him momentarily, his mount was laying in and not in a position to capitalise on the run before it closed. The explanation was noted.
