S. Comments: Fractious in the barriers and began awkwardly, losing 2 lengths. Steadied from heels near the 700m. When questioned regarding the horse's performance, Q. Krogh said that after beginning poorly and mustering speed, he elected to come wide leaving the 600m, however he felt that the horse was under pressure from that point and he felt the horse did not appreciate the tight turning track. It was also noted that nearing the home turn it was bumped by another runner. Jockey Krogh felt it was disappointing and he was of the view the horse performs best when able to lead or be in a forward postion.

Comments:Trainer questioned re improved performance - explained at previous start drew wide and in an attempt to obtain cover had to go further back than they would have liked and in a slowly run race made it very hard to make up ground over concluding stages. Of the view run was better than it looked and today being in 900m race felt speed would be on and drew a better barrier, which aided being in a better position. S. Comments: Slow to begin. When questioned, jockey A. Sewell explained that it was always his intention to allow the horse to settle in a rearward position as instructed and he would have preferred to have improved into the race prior to the home turn, however as runners ahead of him were racing wide on the track, he elected to wait until the home straight to allow the horse to shift wider in an attempt to finish the race off. He added that he was satisfied with the

S. Comments:Trainer D. Heinemann was questioned regarding the horse's seemingly improved performance. He indicated that the horse, in his opinion, raced well at its last start at the Sunshine Coast as it was only beaten 5 lengths. He added that at its most recent start at Gympie the horse received severe interference during the early stages and had to be checked and this had a detrimental effect on the overall performance. He further added that he had expected a more forward showing tonight, however was somewhat surprised with the horse's win.

S. Comments: When asked to comment on the disappointing performance, jockey R. Maloney indicated after beginning well he attempted to obtain cover by steadying in the early stages, which he was unable to do so, and, in his opinion, this had a detrimental effect on the overall performance. He added that despite not obtaining cover he was still disappointed with the overall performance in the run to the line as the horse weakened in the final 200m. A post race veterinary examination failed to reveal any significant abnormalities.

Had to be steadied when placed in restricted room approaching the winning post. Jockey M. McGillivray was guestioned regarding his riding near the 600m when it appeared he may have had opportunity to shift wider on the track when AMTHAAL was improving to his outside. He explained that approaching the 600m, when AMTHAAL improved around him, he endeavoured to shift outside the heels of LUCY LE ROC, however his mount did not quicken despite his urgings,
