S. Comments:Rider questioned re performance - noted first start today and when racing in home straight was reluctant to improve to inside of runners. Added near 300m when racing tight to the inside of OSMOND had to steady mount and from this point it was one paced to the finish. Stewards reminded rider of his obligations to ride his mounts out to the end of the race. A routine swab sample was taken.

S. Comments: When asked to comment on the performance of his mount, which was below market expectations, tockey Tilley indicated that after shifting out to improve near the 600m the horse responded to his riding and after improving to the outside of DUKE OF KINGSFORD, shied away from that runner and proved very disappointing from the 400m.

S. Comments: Began very awkwardly and made heavy contact with the barrier partition, almost unbalancing its rider. When asked to explain the performance of the gelding, jockey J. Byrne expressed his view that the speed slackened quite appreciably mid-race and therefore he elected to come out to improve into the race passing the 700m and at the same time the leaders quickened and his mount then struggled to get into the race from that point. He added that in his opinion the gelding's chances were not suited by the slow tempo in the middle stages and the quick sprint home.

S. Comments: When asked to explain the improved performance today, trainer K. Kemp explained that at its last start the gelding overraced and the rider elected to shift wider on the track, which may have exposed the gelding earlier than he would have liked, which may have had a detrimental effect on the gelding's finishing effort. He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it perform creditably.

In Running: /11/12 S. Comments: Slow to begin. When asked to comment on the disappointing performance, jockey M. Cahill confirmed his disappointment and could offer no tangible explanation. A post race veterinary examination of the horse, which finished a distant last, failed to reveal any significant abnormalities. Trainer R. Wilson advised stewards in his opinion the horse was beaten for early speed and would appreciate a step up in distance to 1200m and would take

improvement from the run. He stated at the horse's most recent start he had removed the tongue-tie and, in his opinion, this resulted in an improved performance. He added that with this performance in mind he had expected a forward showing in today's event.
