his mount was able to travel in a handy position during the race, however	after it blundered nea	r the 700m, the filly faile	d to travel from that point and, in his
opinion, proved disappointing over the concluding stages. The trainer's rep	presentative could offe	er no explanation for the f	filly's performance today, which he

advised was disappointing. A post-race veterinary examination of the filly failed to reveal any apparent abnormalities.
