A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick indicated that he would have an endoscopic examination performed on the horse and advise stewards of the findings. Stewards advised him that if there was no veterinary explanation for the performance, the horse would have to trial before next start.

S. Comments:Raced four wide without cover. When questioned regarding the horse's disappointing performance, jockey B. Appo stated that his instructions were to lead if possible, however the filly failed to show the necessary speed to comply with these instructions and as a result when attempting to improve forward was caught racing wide. He added that the filly was not entirely comfortable on today's tight track, however was still disappointing in its performance. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Apprentice B. Nothdurft reported his mount raced very greenly in the home straight and laid in over the concluding stages. He added the horse made an abnormal respiratory noise shortly after straightening and again passing the winning post. A post race veterinary examination of the horse revealed a suspected palate displacement. Trainer L. Hatch was advised that the horse must undergo an endoscopic examination prior to its next race start, the results of which to be forwarded to stewards.

S. Comments:Stewards questioned trainer Mr. L. Fraser in relation to the winning performance of the gelding which was heavily backed in this event. Mr. Fraser advised that the horse had performed well at its last start at Dalby, and he was shocked the horse was such a wide price in early markets. Mr. Fraser added that he had expected a forward showing from the gelding based on its most recent start, and advised Stewards that he had placed a wager on the horse to be successful tonight. Stewards noted the explanation.

Currie advised that the horse was not suited to the firm track conditions at Warwick at its last start. He added that the horse, which is a Class 2 runner, was beaten by an established open class horse, and for that reason he was not entirely disappointed with that performance. Mr Currie also advised that, prior to its most recent start, the gelding's form was sound and he therefore expected a forward showing in tonight's event.
