He stated at that point of the race his mount was travelling comfortably and as it is a big horse that wears a tongue tie he was concerned BRAZEN BRECCIA may not continue to travel if overly restrained. M Rodd further stated he did not wish to be caught behind VOIGHT which, in his opinion, was not a strong chance in the race adding that the tempo at that stage of the race was not significant.

S. Comments:When asked to comment on the below market expectation performance, Jockey J. Byrne reported that the gelding, which was having its first start today, began only fairly as apposed to its official trial leading into today's event and as a result, he was obliged to ride the gelding along in the early stages to obtain the leading position. Jockey Byrne also added that after travelling well after this the gelding failed to quicken as he had expected when rounding the home turn and ran on only fairly for the remainder of the event. Post- Race veterinary examination revealed no abnormalities.

On returning to scale, jockey Guthmann-Chester reported that the gelding was slow to muster early speed and was hard ridden for the majority of the event. He added that in the home straight, the gelding made strong late ground and, in his opinion, would be suited stepping up in distance for its next start.
