O'Dea's stable representative indicated that in hindsight the horse may not have appreciated racing in a cross-over nose band last start and again in today's event. He said that at its last start the horse did not show its customary early speed and was slowly away again in today's event. He indicated that in light of today's performance, the horse would likely be sent for a spell. Stewards advised him that the horse will be required to trial prior to its next start. S. Comments:Bumped near the 50m. When asked to comment on the performance, jockey P. Hammersley stated that the filly travelled comfortably in a handy position, however, when placed under pressure leaving he 300m failed to respond and in his opinion proved disappointing. Trainer J. Edwards was not completely disappointed in the performance as he was not completely satisfied with the filly's trial leading into its first start back from a spell today. Nonetheless, he will arrange for the stable veterinarian to examine the horse, the results of which he report back to stewards.

S. Comments: Jockey J. Orman advised stewards he was disappointed in the horse's finishing effort after travelling well in a favourable position throughout. A post race veterinary examination revealed the horse to be suffering from cardiac arrhythmia. Connections were advised that a veterinary clearance and ECG must be supplied and the horse must perform satisfactorily in an official trial prior to its next race start.

S. Comments: Near the 500m had to be checked from the heels of MISS WISLON when MOSS TRIP shifted out to his inside. At a subsequent inquiry it was established that the racing manners of MOSS TRIP contributed to the interference in that at various stages during the race it proved difficult to ride and prior to the incident it became very awkward at the heels of FRENCH EMOTION. In all the circumstances stewards could not be satisfied that B. Avdulla, rider of MOSS TRIP, had ridden in a careless manner and no direct action was taken.
