He stated that he would have preferred to settle in a more forward position, however the horse began awkwardly. He then stated at no stage of the race did the horse travel strongly and he was obliged to niggle the horse in an attempt to hold a position in the middle stages. He added whilst the horse was positioned wide on the track he was disappointed with the horse's finishing effort. A post race veterinary examination failed to reveal any abnormality, and a swab sample was taken.
