S. Comments:When asked to comment on the performance, rider J Orman reported that after settling in a favourable position, failed to respond to his riding and in his opinion proved disappointing. A post-race veterinary examination revealed some mild soreness in both forelegs. Trainer B Healey advised that he would have his veterinary surgeon examine the horse and report back to Stewards if anything came to light which may have had a bearing on today's performance. He further added that he may give consideration to sending the gelding for a spell.
