S. Comments:Slow to begin. Overraced badly in the early stages and improved onto heels near the 900m before having to be checked. When asked to comment on the horse's performance, he indicated that after having to check from heels in the early stages of the race the horse travelled comfortably, however had some difficulty securing clear running rounding the home turn, and then when afforded clear running in the early stages of the home straight was obliged to steady when placed in restricted room. He added the colt would be suited to races over longer distances.
