S. Comments:After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Raced wide throughout. Jockey J. Orman was questioned regarding the performance of the horse. He stated that he would have preferred to settle in a more forward position, however the horse began awkwardly. He then stated at no stage of the race did the horse travel strongly and he was obliged to niggle the horse in an attempt to hold a position in the middle stages. He added whilst the horse was positioned wide on the track he was disappointed with the horse's finishing effort. A post race veterinary examination failed to reveal any abnormality, and a swab sample was taken.

When asked to comment on the performance, App. A. Patis explained that after being hampered on jumping and then being forced to race wide without cover, the gelding faded over the final 200m which she attributed to the wide run and being second up today on the heavy track. Stewards noted the explanation.

S. Comments:Approaching the 300m, was placed in restricted room and was steadied when improving into a tight run which presented itself momentarily between COURT RULES and MOTHER TO RACE HER which shifted in after bumping with SAME OLD when disappointed for a run in an attempt to shift wider to secure clear running at that point of the race.
