S. Comments:Stable representative Chris Wearne was questioned regarding the horse's improved performance. He indicated that the horse was caught wide at its most recent start and had blinkers removed for that event. He added that the horse benefited from the change of gear to put blinkers back on the horse and that the stable had expected a forward showing today.

Goldsbury as to the reason for steadyding her mount near the 800m to allow ALL OUR WIVES to cross after having maintained the lead from the start. Stewards accepted the explanation, however, advised apprentice Goldsbury that in similar circumstances she should be mindful of her positioning in races as the option she took at this point resulted in her mount being held up for clear running rounding the home turn when ALL OUR WIVES commenced to weaken.
