S. Comments:Rider reported that the filly was a little tardy to begin and after endeavouring to ride the horse, it commenced to buck for a few strides. He said despite this he continued to urge the horse, however it refused to stride and was reluctant to stretch out and for this reason it was retired from the race. A post-race veterinary examination revealed the filly to be significantly lame in the near foreleg. Tnr. was advised that he will be required to produce a veterinary clearance for SAGATONA and it would be required to perform satisfactorily in an official barrier trial before starting again.

S. Comments:Stewards acceded to a request from trainer S. Ryan for the horse to race without a tongue-tie as this was the gelding's first start for his stable and had trialled without this gear. Had some difficulty obtaining clear running upon entering the home straight. When questioned regarding the tactics adopted, jockey G. Colless stated his instructions were to ride in a forward position, however after beginning only fairly was unable to muster sufficient early speed and therefore elected to take up a position towards the rear of the field.

Disappointed in performance as it had impressed in trial leading into this race. Trainer also disappointed and unable to offer any excuses. Vetted in days following race with no abnormalities. Will trial gelding in unofficial trial prior to next start as it had performed well first up last campaign following a number of lead up trials. Previous campaigns to that had allways performed poorly when first up.

She stated that she had been instructed to ride the filly quieter today, however she was unable to gain cover and therefore she was obliged to race wide throughout. Trainer T. Gollan explained that from the wide draw he was concerned with the significant amount of speed of other runners drawn to his inside and for this reason he instructed his rider to "come out neutral" rather than be involved in a speed battle and get caught wide.
