S. Comments: Slow to begin. Got its head up when racing keenly passing the 1400m. When questioned regarding the horse's seemingly improved performance, trainer D. Murphy advised that at its run two starts ago at Inswich on 5 December 2018 it hard raced forward and had pulled hard and consequently failed to run on. She added that at its previous start at Doomben on 19 December 2018 she was satisfied with its performance, having not been beaten far in a larger field, and she believed the gelding was better suited in today's smaller field.

position the gelding never really travelled throughout the event and when placed under pressure rounding the home turn failed to respond to his riding and proved disappointing. Jockey Stewart was of the opinion that the gelding may not have backed up from its run the previous week. A post-race veterinary examination revealed no significant findings, however the veterinary surgeon noted that the horse is a recognised roarer.

In Running: /1/1 S. Comments:Trainer B. Robinson was questioned regarding the horse's improved performance. Mr Robinson explained that the horse was better suited stepping up in distance to 1100m and it has shown some improvement in its work since its first start. He added that BOBBY AXELROD is still immature and as such he was not overly confident in today's race. Stewards noted his explanation.
