When asked to explain the performance, jockey B. Shinn stated that the filly raced keenly in the early stages due to the slow tempo which in his opinion may have been to its disadvantage, and when asked to finish the race off, let down for a short distance, however may have peaked on its run prior to the line. He added that in his opinion the filly, which was first up today, would benefit from the run. S. Comments:Rider explanation re performance - stated even though mare has raced in a rearward position attempted to hold it forward but was unable to do so and the mare travelled reasonable throughout event. Further stated when placed under pressure failed to quicken and in his opinion may appreciate distances further than that of today.
