Brown stated that after being slowly away he was placed further back in the field then he had intended, and during the early and middle stages of the race when the pace was only steady, the colt overraced and, in his opinion, this had a detrimental effect on its finishing effort. He indicated that, in his opinion, the horse may not run out a strong 1600m. Mallyon stated that the gelding raced in a forward position and when the field sprinted after passing the 600m failed to respond. He added that in his opinion the gelding will improve with the run and may appreciate races further than that of today's event as he believes the gelding is one-paced.
