When questioned regarding tactics adopted over final 150m, apprentice R Wilson stated that she initially had opted to shift to the inside of MASTER DENRHO, however when that runner started to shift in marginally, she elected to alter course and attempt a run to the outside of MASTER DENRHO and to the inside of ARRARAC. She added that when she made the decision to improve into the run, both horses started to shift and as a result she was forced to take hold of her mount and race in restricted room.
