When asked to comment on the performance of the horse, jockey Griffin indicated his mount raced quite greenly in the early and middle stages after he had been instructed to allow the horse to settle out of the barriers. He indicated that, in his opinion, the gelding finished the race off strongly despite laying in form the 400m onwards. He added that trainer Mr B. Baldwin suggested he would now look to spell the horse

Murphy was asked to comment on the horse's performance. He indicated that after travelling favourably in the early and middle stages the horse suffered interference on the home turn and failed to respond to his riding thereafter. A post-race veterinary examination revealed a poor post-race recovery.

He added that he was obliged to niggle the horse throughout the event to remain in touch with the main body of the field and the horse commenced to improve approaching the 400m. He further added that he was obliged to alter course near the 200m to obtain clear running and felt that the horse was doing its best work over the concluding stages and he was of the opinion that a step up in distance would be beneficial

S. Comments:When asked to comment on the disappointing performance, jockey R. Maloney indicated after beginning well he attempted to obtain cover by steadying in the early stages, which he was unable to do so, and, in his opinion, this had a detrimental effect on the overall performance. He added that despite not obtaining cover he was still disappointed with the overall performance in the run to the line as the horse weakened in the final 200m. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Slow to begin. When questioned, jockey A. Sewell explained that it was always his intention to allow the horse to settle in a rearward position as instructed and he would have preferred to have improved into the race prior to the home turn, however as runners ahead of him were racing wide on the track, he elected to wait until the home straight to allow the horse to shift wider in an attempt to finish the race off. He added that he was satisfied with the horse's finishing performance and felt that it may be better suited on a bigger track.

Mr Doughty added that he felt the horse would have a preference for the yielding surface at Ipswich and indicated that the horse has performed best previously when able to lead or be handy. S. Comments:Raced wide without cover throughout. Laid in under pressure over concluding stages. Questioned as to improved performance, Trainer L Kelly stated the filly was down in class from last start at Ipswich on 16 June 2018. Mr Kelly was pleased with the fillys performance on that date noting it was only beaten 5.8 lengths after starting from a wide barrier. Mr Kelly was pleased with the fillys previous start and noted its only disappointing performance this campaign, in his opinion, was when first up from a spell at the Gold Coast on 9 May 2018 on a heavy track. His explanation was noted.
