He indicated that the stable had expected a forward showing in today's event, advising the mare had had a brief spell after performing poorly in Townsville on 21 July, which he believed could be attributed to the horse not travelling well in the trip to Townsville. He indicated prior to this, the horse's form had been good and stated that at Doomben on 7 July the horse had worked hard when ridden forward to obtain the lead in the early stages from a wide barrier. Stewards accepted the explanation.

Groves explained that when the mare overraced two starts ago at Ipswich the rider had recommended the removal of the blinkers for its next start, which he did, however the horse did not perform well at Toowoomba on that occasion without that gear. Mr. Groves added that with the blinkers back on today, as well as the change of rider, he had not been overly surprised with the win which was consistent with the mare's runs prior to its last start at Toowoomba. Stewards accepted the explanation.
