Disappointed approaching the 250m, and was then checked when attempting a run to the inside of ROMAN REIGN, which shifted in under hard riding, resulting in SAKURA STAR being unable to completely secure clear running and going to the line without being fully tested. |                          |      |                 |  |
