J Orman further stated he was of the opinion despite the horse travelling strongly, it was not an overly excessive pace, and in his opinion this was had no detrimental effect on the overall finishing effort

| S. Comments:When asked to comment on the seemingly improved performance, trainer T. Sears advised that, in his opinion, the gelding is better suited in races when able to lead and, for that reason, he had instructed jockey M. Cahill to stride forward to obtain this position if possible. He added that the gelding was fitter for its second run over the 1640m today, and based on these factors, he had expected a forward showing from the gelding.
