Comments:After racing In a forward position for the majority of the event, commenced to weaken from the 200m and approaching the winning post was eased down by its rider C Taylor as he was of the opinion that something was amiss with his mount. A post-race veterinary examination failed to reveal any abnormalities. Trainer B Butts was advised that JOJO GO would be required to officially barrier trial prior to its next start.

When questioned regarding the below market expectation performance App. N Fazakerley advised that after beginning well the gelding was able to obtain its customary forward position however during the event the gelding was unable to settle as a result of AFTER THE STORM racing keenly to its outside. App N Fazackerley was of the opinion this factor, combined with the large weight impost the gelding was required to carry were the major contributing factors to the performance. A post-race veterinary examination revealed no significant abnormalities.
