S. Comments:Jockey J. Oliver could offer no tangible explanation for the gelding's poor performance today. Trainer L. Hatch expressed disappointment in the performance, however he advised that, in his opinion, the horse's first up run was also only fair. Mr. Hatch added that prior to committing to where he will place the horse next, he will arrange for it to undergo an endoscopic examination and will report to Stewards should any abnormality become apparent. A post-race veterinary examination of the horse revealed no apparent abnormalities. A swab sample was taken from the gelding.

S. Comments:Connections advised that it would be the intention for the horse to be ridden further forward in the field today if circumstances permit. After beginning well, the mare was caught wide in the early stages and, as a result, was restrained to a position closer to the rail in the second half of the field.
