S. Comments:Raced 3 wide throughout. Questioned about her riding tactics App. Vuille stated that she was instructed to ride the mare where she was comfortable, however due to the perceived pace of the race she had anticipated being in a handy position one away from the running rail. App. Vuille acknowledged that the race did not pan out as she had expected and she was obliged to race midfield in a 3 wide position, and she had erred by not allowing her mount to stride forward in the back straight and take a leading position. Stewards agreed with her assessment of the ride and noted her explanation.

S. Comments:Inquiry re tactics and performance of the horse. Rider stated he was instructed to position back in the field, but from near the 600m when inclined to overrace, was obliged to steady from heels when the pace further slackened, following which the gelding continued to overrace. He added he permitted the gelding to improve forward at the 900m to sit outside the leader, however it peaked on its run near the 300m. He believed these circumstances had been detrimental to its performance. It was also noted that the horse had not performed well over distances further than 1600m.
