S. Comments:When questioned regarding the performance of the horse, trainer said that he was disappointed with the horse's performance, as it failed to run on as expected. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance.

S. Comments:When questioned regarding the gelding leading, Jockey explained that he had been instructed to race in a midfield position, however after beginning fairly, and when runners to his inside did not show the expected speed, rather than be caught wide he elected to ride forward and assume the lead, where the gelding travelled comfortably throughout. Stable representative confirmed the instructions issued and added that the gelding has led in previous starts.

S. Comments:Stewards questioned App. J. Orman and trainer J. O'Sing re the performance of the gelding. App. Orman said that he was not issued any specific instructions. Bearing in mind the step up in distance and the expected pace of the event, he stated that the gelding began well and when travelling keenly in the early stages strode forward and was pressured to cross runners to its inside and near the 1300 metres was eased when another runner obtained the lead. App. Orman added that in his opinion the horse will perform better when ridden off the pace.
