S. Comments:Stewards questioned Apprentice in regard to her ride. Apprentice said that she had been instructed to ride the gelding at the tail of the field.				
Trainer confirmed the instructions issued, however was surprised that the gelding was positioned as far back as it was. When asked why she did not attempt to improve her position, she said that she refrained from doing this as she was of the belief that the horse would over-race. Also of concern was the amount vigour shown in the home straight. Bearing in mind Apprentice's relative inexperience, Stewards referred her ride to the Riders Advisory Panel.

S. Comments:When questioned regarding the performance of the horse, trainer said that he was disappointed with the horse's performance, as it failed to run on as expected. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance.

Stable representative confirmed the instructions issued and added that the gelding has led in previous starts.
