S. Comments:When questioned regarding her riding Apprentice explained that she had been instructed to obtain a handy position however after beginning only fairly from the widest barrier she elected to restrain her mount in an attempt to find a position closer to the running rail. She said that when the pace slowed in the middle stages her mount commenced to over-race and rather than attempt to sustain a wide run she elected to remain racing at the rear of the field. She added that she then placed her mount under pressure near the 600 metres and it ran to the finish only fairly.

S. Comments:Raced 3 wide no cover. Stewards considered an objection lodged by Jockey against the winner, alleging interference over the final stages. On the evidence it was established that inside the final 30 metres the winner shifted out under riding and bumped the gelding carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred gelding would have finished ahead of the declared winner. Accordingly the protest was upheld and the placings amended.

S. Comments:When questioned regarding her riding of the mare, Apprentice explained that she had been instructed to take up a midfield position, however after beginning awkwardly she rode her mount along to obtain a favourable position, where the mare travelled strongly. However, shortly after straightening she attempted to improve to the inside of another runner but was disappointed for that run and as a result was held up for the entirety of the home straight and went to the finish without being tested. A post-race veterinary examination did not reveal any abnormalities.
