Stanley reported his mount was inclined to lay out in the straight and continued to do so, and for that reason he did not place the horse under further pressure.

S. Comments:Stewards questioned apprentice Z. White with regard to her riding in the early stages of the straight when a run was available to the inside of CALZAGHE PRINCE. In her opinion, prior to straightening the horse had changed stride and was unbalanced around the home turn and in the early stages of the straight and she had difficulty in getting the horse to advance into that run until near the 300m. Given the placings of the race and the way in which the horse had finished off, Stewards noted her explanation.

S. Comments:Began awkwardly with its head in the air and lost ground. Apprentice J. Murphy reported that after beginning awkwardly his mount settled at the tail of the field, however prior to the race he had expected the horse to settle in this position. He added that whilst the filly made some late ground over the concluding stages, he was somewhat disappointed with its final sprint. Apprentice Murphy advised that, in his opinion, the filly may be looking for further distances than today's event at this stage of its preparation.
