S. Comments:When questioned regarding the performance Jockey J. Stanley advised that his mount travelled well until a point near the 400m where in his opinion it became awkward in its action and failed to respond when placed under pressure. Jockey Stanley further added that it was his opinion that horse would derive a fitness benefit from todays run and would expect it to improve at its next start. Stewards noted Jockey Stanley's explanation. A post-race veterinary examination revealed the filly to have sustained a laceration to the off-hind cornet
