S. Comments:Jockey stated that TRICKY BEANS raced well in the early stages, and didn't feel as though his mount had to do much work to gain a forward position. He added though that during the middles stages he noticed the gelding started to come off the bit and failed to respond when placed under pressure. He added that the 62.5kg his mount had to carry was detrimental to its chances and during the straight TRICKY BEANS was struck by the whip of another rider. A post-race exam revealed an injury to the nearhind hamstring. Trainer advised a vet cert would be required prior to its next start.
